## Seeking Naval Architecture Graduate

### Position Description:

Keil Maritime is seeking an AMC 4<sup>th</sup> year student or Graduate to join our team.

Your primary strengths should include:

- Maxsurf Modelling, Intact and Damage Stability Analysis
- Scantling determination to NSCV encompassing: Lloyds Rules, AS1799, ISO, USL Code
- Repair plans
- Preliminary Design

Training and assistance will be provided for you to work towards gaining your membership with a professional engineering society and towards attaining accreditation as a Marine Surveyor recognised by the Australian Maritime Safety Authority (AMSA).

You will be required to attend inspections at remote locations both within the NT and interstate. The position involves field work, out of hours and weekend work.

Consideration would be given to 4<sup>th</sup> year students to take on the role part-time prior to Graduation with an opportunity to work remotely.

### About us:

Keil Maritime is a thriving, successful and innovative Marine Surveying and Naval Architecture company, being the only private firm offering a start-to-finish service in Darwin – we are extremely busy! Trading since 2015, with our first office space opened in 2018, and a small team of 5, view our website at [www.keilmaritime.com](http://www.keilmaritime.com)

Keil Maritime is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees. Director and Principal Surveyor Daniel Keil and Ocean Engineer Ben Taylor are both AMC Alumni.

### About the perks:

- Full time position, above award wages, with remuneration reflecting your experience and qualifications
- Access to work vehicle during work hours
- Work mobile, laptop, iPad, uniform, PPE and work tools provided
- Our team is highly experienced, friendly, helpful and a little bit quirky
- Financial assistance to relocate from interstate on application can be negotiated as part of your contract
- Access to some of the best fishing, 4wd driving and camping in the world!
